| Unit I | Summary and pictoline graphic organizer | Professor | MANM. Lizbeth Molina |
|---------------|--|------------------|----------------------|

- **Instructions:** Write a summary about Economic Integration blocs, based on it design a pictoline graphic organizer.

| % | Characteristics | Done | | |
|--------------------------------|-----------------------------|---|---|---|
| | | Excellent 100 | Good 90 | Regular 80 |
| Summary | | | | |
| 2 | Clarity and Cohesion | The summary is exceptionally clear, organized, and cohesive. Ideas are well-structured and connected smoothly. (2) | The summary is clear and mostly cohesive, although there may be some areas where the structure or idea connection is less solid. (1.8) | The summary is reasonably clear, but organization and cohesion could be improved in several areas. (1.6) |
| 2 | Relevance of Information | The summary includes only relevant and essential information for understanding the topic. (2) | The summary mostly focuses on relevant information, but there may be some minor details that are not essential (1.8) | The summary includes relevant information, but some key points may be missing or unclear. (1.6) |
| 1 | Accuracy | The summary is highly accurate and reflects the original content exactly and comprehensively. (1) | The summary is mostly accurate, but may contain some minor errors or inaccuracies. (.9) | The summary is generally accurate, but there are areas where the original information is presented incorrectly or inaccurately. (.8) |
| Graphic organizer (pictoline) | | | | |
| 2 | Creativity and Design | The Pictoline shows exceptional creativity in image selection and design. The presentation is visually appealing and highly impactful. (2) | The Pictoline is creative for the most part and has an attractive design. (1.8) | The Pictoline shows some creativity in its design and choice of images. (4) (1.6) |
| 1 | Relevance of Information | The Pictoline includes relevant and essential information for understanding the topic or message. (1) | The Pictoline mostly focuses on relevant information, but there may be some minor details that are not essential. (.9) | The Pictoline includes relevant information, but some key points may be missing or confusing. (.8) |
